ORDER:

The Transport, Roads & Buildings (TR.II) Department in the reference 2nd read above have reported that the Joint Managing Director, TSRTC in his Letters 1st read above has inter-alia stated that, there is enormous increase in volume of operation and number of Depots in Greater Hyderabad Zone and Hyderabad Zone with (6) Regions, the challenges and targets could not be attained under the administrative control of one Executive Director. Further, the Mahatma Gandhi Bus Station (MGBS) is one of the biggest Bus Station in the Asia which will come under the jurisdiction of Hyderabad Zone, where around 3564 Buses are being operated every day apart from 200 buses of Inter-state i.e., Maharashtra and Karnataka States. Continuances of all the 6 Regions (both GHZ & HZ Zones) under the Administrative control of one Executive Director, poses several operational and functional difficulties and proposed to bifurcate the administrative control of Greater Hyderabad Zone and Hyderabad Zone by posting separate Executive Directors to each zone for effective operation of services to meet the demand of commuters and effective administrative control. The TSRTC Board vide Resolution No.105/2011, dated: 8th November, 2011 has resolved to dispense with present system of one Executive Director for two zones in respect of Greater Hyderabad Zone and Hyderabad Zone and authorized the MD to obtain the approval of Government for sanction of one post of Executive Director for Hyderabad Zone. He has therefore requested to create one post of Executive Director in Class-I Super Scale in TSRTC for Greater Hyderabad Zone for appointment by promotion from the ranks of Regional Manager / Head of Department

2. Government, after careful examination of the matter, here by accord sanction for creation of one (1) post of Executive Director in Class-I Super Scale in TSRTC in the scale of pay Rs.130500-4000-154500 (PRC 2013).
